

INTRAMURAL HOUSE COMPETITIONS

The holistic development means intellectual, physical, mental, emotional, social and cognitive development of students. SPIS conducts variety of curricular, co-curricular and extra-curricular activities throughout the year. These activities instill and inculcate discipline, moral values and ethics and assist in developing critical skills, abilities and rational thinking to be successful and happy in life and at workplaces. Hindi debate competition was conducted on 16th Dec 2021 and English debate competition was conducted on 06th Jan 2022, all the contestants exhibited marvelous oratory skills and strongly supported their standpoint with positive attitude. TV advertisement competition was conducted on 21st Feb 2022, students acted out on various advertisement scripts and ideas relevant to themes. Modern era is an era of advertisement. TV advertisement competition provides a platform to explore creativity and stage presentation skills. Each house presented a unique advertisement such as product based, comic, informative and issued in public interest, blending language, art, costume and creativity. Following advertisements dazzled the audiences with ranks. Art and Craft competition was conducted on 3rd Feb 2022. All drawings and sketches were exquisite. Following students stunned the audiences with wonderful presentation and emerged as rank holders,

FOUNDER SIR'S ACADEMIC ELEVATION INSIGHTS

Hon'ble founder Dr. J. D. Pawar alias Annasaheb conducted the motivational session for class X and XII students. The session was aimed at exam preparation, comprehensive learning, exercises and holistic development of students. It enhanced urge of learning and commitment.

MESSAGE FROM DIRECTOR'S DESK

The milder omicron variant raises hope that we can perhaps tame the pandemic. If there was any good that came of the global pandemic, the digital turn towards online education, global oneness would certainly be a contender. And even as the pandemic recedes, the virtue that the necessity bred now seems all set to stay. Even as students across the country return to brick and mortar schools. Hence the serious consideration of the hybrid model, which offers the best of both the worlds the socio-emotional bonding of a physical classroom, and broader access to education through the online education. We SPIS, believe in, 'Calamity is the Touchstone of a brave mind' Now, our school is reopened, the postcovid challenges are emerging. Being the versatile, transformational team members of SPIS, we conquered the fraught insecurities among all stake holders - schools, students, Parents' and teachers due to new regulations. The school has been advancing full-fledged normalcy. However, it was crystal clear that the transition period had to be managed through a combination of digital and physical approaches to teaching and learning. This blended pedagogy mechanism- called phygital was by all estimations: restored. We could empower education, without disruptions in a post-covid world by handling meticulously those fraught insecurities and unprecedented challenges. Our school's, those children who fall under the age limit of the vaccination guidelines, are vaccinated. It would help the community to cut down the spread in the long run. Teachers' committedly imparting education these highbrows of our school. Class X and XII students have been preparing for their course deciding examinations. I would say, SPIS is a destination where; "Everyone has a room, Everyone gets groomed".

It's time to start living the life you have imagined. - Henry James.

PRINCIPAL'S (Sr. Sec.) FOREWORD

"Educating the mind without educating the heart is no education at all" :- Aristotle

Welcome to SPIS. We believe that the initial steps of education begin here. We do this by providing a secure, caring and nurturing environment to enable students to develop the desire and passion for learning now and in future. Learning is a lifelong process.

It starts in womb and ends in tomb. We believe that creating the passion for learning is a large part of responsibility shouldered by us. We live today in a 'VUCA' world that is Volatile, Uncertain, Complex, and Ambiguous. The world today is changing at such an accelerated rate where we as educators need to pause and reflect on this entire system of education. Our school is well equipped to prepare our children to face the challenges that the future holds and work at implementing a well-balanced curriculum to ensure that the children who walk into the portals of SPIS will not just leave their school years but truly be prepared to face life's challenges. Even as we impart education to match the advancement in technology and globalization, we march our children ahead with ethos of moral values and principles. We endeavor constantly to instill these qualities in our children. We pride ourselves to help them grow and develop into sensitive and responsible citizens of the future. NEP 2020 is introduced now, but I am very proud to share that the Hon. Founder Annasaheb has introduced eight years ago a mission of excellence for classes VIII to XII. As a part of it highly qualified and excellent teachers from IITs, NITs and reputed universities are appointed to take care of students thirst for CBSE as well as competitive exams. Everyday classes IX, X, XI and XII students stay in classes till 10:30 pm along with their expert teachers for preparation and Doubt Solving Sessions. Our students have been helped with NCERT curriculum and this programme to get seats in IITs, NITs, NDA, Medicine, Management programmes. Many have secured seats in abroad universities. In classes XI and XII we are not only taking care in academic excellence but we stress on holistic development. The results of this is that many of our students have been placed in MNCs and working as responsible citizens.

TREMENDOUS SUCCESS OF OUR SKATING CHAMP

Student of SPIS excels both in the classroom and on the skating track. Mast. Ayush M. Deore achieved incredible success. He shone in his category, winning the second position. He participated as a player in the Nepal International Heroes Games Championship 2022 and bagged silver position. The event was organized by YOUTH SPORTS DEVELOPMENT FORUM NEPAL. He is conferred upon the medal and certificates too. He will be representng India in Singapore event.

HOLI - FESTIVAL OF COLOURS

Holi is the festival of colours. Festival - celebration in a gusto is a part of SPIS. All children along with teachers assemble on the playground. Rangoli was drawn around the effigy of Holika. When effigy of Holika was burnt. All have the thought of victory of good over evil.

The introduction was given by Mr. J. L. Patel, Principal Sr. Sec. and Mr. V. T. Jagtap delivered his speech by mentioning mythological stories related to Holi. All realised the importance of righteousness in our life. Virtuous life is very important to attain our aim.

Sooner or later, those who win are those who think they can. - Richard Bach.

KARATE

On 6th March, Karate Colour Exam was organised by Japan Shotokan Karate Kanninjuku Organization (Japan), India, in which our school students participated. Many Champs achieved belts successfully Yellow, Green, Purple & Brown belts were received. All these achievers are committed to self - defence. These were guided by Shihan Manik Jopre (Five Dan Black Belt) Nashik District Chief Instructor & Examiner.

MAHAVEER & DR. BABASAHEB AMBEDKAR GREAT SOULS OF EGALITARIANISM

Hon. Principal expressed his homage to Vardhaman Mahaveer. He advised to follow his teachings to all students. And Dr. Ambedkar Jayanti was celebrated in a great pomp and show. Hon. Principal Sir garlanded the portrait and threw the light on his humanitarian work. Egalitarianism and equality, these are jewels of his work.

"I strongly believe in the movements run by women. If they are truly taken in to confidence, they may change the present picture of society which is very miserable. In past, they have played a significant role in improving the condition of weaker section and classes."

SUN IS THE SOURCE OF POSITIVE STRENGTH

As it is said, Yoga is psychosomatic. Since ages our cultural roots find in the worship of the God sun. For promoting a healthy lifestyle for all and salutation to our motherland we performed Suryanamaskar on our campus to pay tribute on 75th Anniversary of independence. Besides, being a great coordinated workout it brought a positive effect in the mind, body and intellect of students. Participants were blessed with certificates too.

CHRISTMAS CELEBRATION

Christmas is the festival which inspires the spirit of sharing and caring. Soaking in the spirit of Christmas, tiny tots of our school celebrated 25th Dec. School was beautifully decorated with bright and colorful bells, stockings, stars, balloons and Christmas tree. Santa too made the grand entry in the school riding on the horse on the beats of drums. The students sang melodious carols and danced beautifully to wish their teachers and classmates. The delight toddlers bounds especially when the Santa brought out the gifts for everyone from his stockings. The Santa also taught the students the good habits to follow in their lives. The beautiful tableaus of Jesus Christ were formed. The boundless joy of celebrating the festival was visible on the faces of all the children.

There is more hunger for love and appreciation in this world than for bread.

FARM VISIT IS BOON TO EXPERIENTIAL LEARNING

A farm visit at mangrove, custard apple and Guava's plantation. It was organized to secondary level classes. To have the experiential learning of the actual farm, the task was arranged. Students learn different types of cultivated, irrigated, weeding, spraying practices and enjoyed the information about pollination and its type. Organic farming's visit taught them insecticide and pesticide free farming is possible. VAM and VAB is used for this purpose. Bio magnification and eutrophication was explained to promote residue-free food campaign in future. Real learning, in the lap of nature makes students over joyous. These students were led by many elites of SPIS under the banner of Science Dept.

WHOOPING FIXES A GREAT DESTINATION

Avishka Shirsath and Ananya Khairnar imprinted their footprints in the sand dunes of academic excellence by getting admission in the prestigious SATARA SAINIK SCHOOL and scoring the highest in SOF INTERNATIONAL MATHEMATICS OLYMPIAD respectively. Various olympiads, MTSE, NTSE, RIMC and logical thinking based Aptitude tests have been conducted under the guidance of Mr. Pankaj Awhad.

CAREER GUIDANCE SESSION FOR IX, X, XI AND XII

SPIS is the futuristic school as it thinks the needs of 21st century students and to cater the needs and aspirations of IX, X, XI and XII, a series of online sessions were arranged on 'Career Guidance'. The virtual sessions included career planning for new normal, Developing Growth, Mindset, Entrepreneurship Lessons, Careers in Hospitality, Public Relations, Space Mathematics, Sports, Healthcare, Armed forces. These sessions will prove immensely beneficial for these students for their future career point of view.

HERITAGE CLUB TRAVELS IN MEDIEVAL

Heritage club depicted the life history of king Shivaji. Medieval time machine mesmerized everyone. All were greatly inspired by Chhatrapati Shivaji Raje's bravery and incredible deeds. Those who watched stopped short and gasped. There were posters all over the board, on every ledge in dazzling colors and brilliant, lavish designs all over. All those were exquisite drawings.

The man who complains about the way the ball bounces is likely the one who dropped it.

SPIS - EAGLES GLIDE MAJESTICALLY

Mast. Aditya Patil, the prolific academician and alumnus of SPIS has become the talk of the town when he has got admission in world-renowned Connecticut University of USA in Economics. He has achieved this rare-feat which many dream of. Mast. Aditya has made Spite immensely proud. The University Of Connecticut boasts for its prestigious faculties and also classified for its high research activity. Mast. Sarvesh Salunke has added colorful feather to 'SPIS already decorated Cap as he has got admission College of Engineering Pune. COEP is the second oldest engineering college in India, after IIT Roorkee. Miss. Samruddhi Bhausaheb Shinde an alumnus of SPIS has brought huge laurels as she has got an admission through CET law to the Government Law Collage, Mumbai. It is one of the oldest law school in Asia. Former President Pratibha Patil and five Chief Justices of India as well as several judges of the supreme court of India are alumni of this collage. Kudos to Samruddhi for this wonderful feat.

JAYESH SCHOLARSHIP EXAMINATION

Sharad Pawar International School successfully conducted 'Jayesh Foundation Scholarship Exam' on 10th April 2022. It is a philanthropic initiative of Jayesh Foundation. It offers free education, lodging, boarding to scholar students from the poor, underprivileged strata of society.

SPIS CELEBRATES SHIV-JAYANTI WITH GREAT POMP AND SHOW

SPIS celebrates Shiv-Jayanti with great pomp and show. Slogans of 'Jai Bhavani Jai Shivaji', 'Shivaji Maharaj Ki Jay' reverberated through the campus. The greatest warrior Chhatrapati Shivaji Maharaj is remembered as a torch-bearer of good governance and as an accomplished administrator. VIII standard students devoted entire week assembly to highlight the exploits, folklore of Maharaj Shivaji. It culminated on 19th February on Shiv-Jayanti. Students shared anecdotes and legends on the life of Maratha warrior. The last day witnessed an enactment and grand procession which brought 'Shivaji-era' live to the audience. The pomp and show of procession flabbergasted one and all leading to the visual treat of everyone. The campus wore a festive look on Shiv-Jayanti. School authorities offered 'pooja' to the bust of Maharaj.

SPELLBOUND SPRUHA STEALS SHOW

Spruha Prashant Govind awarded as Kids Rising Star of the Maharashtra. An amazing presentation steals Spruha's scintillated wit. Her consummate dexterity allures everyone, present over there. The event was organized by SAMRAT ENTERTAINMENTS. She received Rs. 50000/- cash prize and memento as the token of love. It was the most awaited beauty pageant. It brought the pristine glory to our school on a new world.

Listen a hundred times. Ponder a thousand times and speak once.

TINY TOTS ELEVATE JOY, APPLAUSE AND IMMENSE LOVE

Competitions are a real mirror of our qualities. Everyone gets respect and honor through it. Along with studies, activities are also very important for students. Activities sharpen the qualities and analyze ourselves easily. In our Pre-primary globe, various activities have been conducted through out the year. All activities touch head, heart and hand of every participant. Sports event is the magnificent show of it. Running race, Sack race, Book balancing, Bucket and ball, arrange the alphabets, Lemon and spoon, Potato race, shapes collecting were the main attractions. These events endorse the tagline, everyone has a room and everyone gets groomed. Happiness sprinkles, eyes twinkle of these toddlers. Its not exaggeration, during the sports meet, we too are nostalgic in our childhood reminiscing.

UNIVERSITY FAIR FOR CLASS XII

21st Century students aspire for out of box thinking and career avenues which are available as per their potentials. To address the curiosity of XII students and career options availability after XII, SPIS arranged virtual university fair of the foreign universities. Class XII students were truly enriched by attending this wonderful session.

DHODAP REVEALS

"THE BEST VIEW COMES AFTER THE HARDEST CLIMB" The world reveals itself to those who travel on foot. The Dhodap fort trek took us to the second highest fort in Maharashtra. It was an exhilarating experience to all of us. Packed with many surprises the Dhodap Fort Trek has a variety stands out to make it the ever best trek. It is a joy and a paradise that might have been. It has a delight treat. The trek has so much to offer that we have heard trekkers saying of ending up with a feeling of not exploring the trek enough. The trek is on the vast and wide plateau that climbs up into three levelled fort. Students were excited to know the history of this fort. Some of us tried to decipher the Persian script on the rock carving, but we could hardly succeed. We all teachers and students were so ecstatic after completing the trek. We had enough fun and frolic. It was an amazing experience.

NATIONAL SCIENCE DAY CELEBRATION

On the occasion of National Science Day i.e. 28th Feb. 2022, students of Class IX presented the short skit based on the life of, one of the greatest nobel laureates Marie Curie. They showed her research on atomic mass and radioactive radiations. All these children were guided by Jerrin George Sir.

ABL - CORE CONCEPTS OF LEARNING

Activity based learning is the core - concept of the SPIS Learning process. Either a class activity or an assembly Activity, students participate to enrich their understanding level of learning. All teachers are interested in various activities. Experiential learning to participatory activities are done by students. Word building, story telling, compilation, creative writing, drawing competition, collecting photos of sportspersonalities, dams, rivers different types of seeds or grains and mathematical activities For Hindi/ Marathi words sorting and sticking of grains according to their category, then making of sculpture of Thesu Raja with clay and enactment of characters from the lesson related all to the chapters was done.

SHOOTER SPARKLES IN TWILIGHT

Our school's shooter Mast. Bhushan Ravindra More participated in various shooting competitions. His event was 10-meter Air Pistol. He marked him as the emerging shooter in 8th West Zone Shooting Competition, Mumbai by scoring 351/400. He imprinted his footprints at junior and senior level as well. He glorified school's name and fame across the country.

When in doubt, tell the truth. - Mark Twain.
