

INTRAMURAL HOUSE -COMPETITIONS

Intramural competitions are organised for students to demonstrate their cognitive skills. Student competitions help bring about a student's best effort by inspiring creativity and challenging the student to utilize their skills. Competitions offer a chance for participants to gain substantial experience, showcase skills, analyze and evaluate outcomes and uncover personal aptitude. Competitions also encourage students to adopt innovative techniques and develop their ideas and skills. SPIS followed the dictum in letter and spirit. The response to these competitions were overwhelming. "Every child is an artist" is a core concept of SPIS. Individual differences were respected and students were brought to the forefront. Story Telling competition, Marathi, Hindi and English Elocution competitions, Handwriting competitions were conducted smoothly. Ganesh Festival's Variety Entertainment Show was exquisite and gathered huge round of applause.

PRINCIPAL'S FOREWORD

HAPPY Diwali

Diwali is a symbol of hope for humankind May it bring universal compassion, inner joy of peace, love and the awareness of unity to all

Wish You and Your Family Happy and Prosperous Diwali and New Year

Dr. J. D. Pawar (Annasaheb)
Founder S.G.S.S.

Beloved Students and Parents, "Determination, with an optimistic attitude is the key to success." The golden years in school are not about lessons and home works but about growing and excelling in every way possible, to fit into the fast changing and fast progressing world. Today's change is an anachronistic to yesterdays. We are witnessing unparalleled changes in every field ,where there is struggle for existence and appreciated. That's why SPIS is quickly reopened after pandemic aversion. We are determined, we have to be balanced learning against the hugely damaging consequences of children's loss of learning and in the long run, of respectable livelihoods and national productivity. SPIS undertakes the challenging task of molding the young impressionable minds into valuable assets of the society ,precious gift of mankind and pride of human race .

During Covid-19 tsunami, SPIS Eduleaders - who have formulated creative responses to the Covid-19 Pandemic to sustain continuous learning for children under their care. Various competitive avenues viz ; scholarship, Olympiad, BRICS-Mathematics Tests were opened. Those would provide a considerable platform to every child. Our deep-dyed commitment to Intra-mural activities lead to ken speckle splash. NEP -2020 is on ways and sheer efforts to implement this ambitious policy prescription. As a major festival Diwali is round the corner. I would appeal you to abide by Covid protocol. I sincerely hope that students will balance the bridge between festive fervor and study, as in the 2nd week of November, you appear for Class X Term -I Board Exam -2021-22. I am thankful to Parents for keeping their faith and trust in SPIS in this pandemic situation. Let's build the virtues of continuous improvement and skilling ourselves. All the Best.

The best way to predict your future is to create it.

SPIS HEADING BACK TO SCHOOL

“As school doors reopen, there is joy, excitement, life and what not.....” Despite physical distancing and regular checks, there is a mood of celebration and relief among children, teachers and parents alike on the first day of school on the SPIS campus.

We made special arrangements to welcome students on the campus. Masks were distributed to students on their arrival. Offline classes have resumed with an inordinate amount of excellency.

Excited students were seen chattering and cheering as the bell rang to schedule their classes. Parents also joyful lined outside the gates taking pictures as their kids returned to school. Parents reactions were humorous.

One of the Parents expressed,” Actually, online learning is not only tough to follow but kids are distracted, we never know if they are actually studying. In Classrooms, teachers can see them and students are alert too. Many families did not have smartphones so kids were missing out on classes, another reacted funnily, No need to fight over smartphones anymore to our kids”

There is great enthusiasm among the students who say they prefer normal classes in school to online classes.

Co-Curricular Activities hunt child's potential

Co-Curricular activities help to improve teaching pedagogy at school.

Students who participate in extra activities get better skilled. They learn from participating in different activities. Students learn to manage time, organizational skills and improved self-confidence. Students also learn to express themselves in a better way.

Every activity in school life plays a significant role in the development of students. Various activities were conducted time to time.
